A REMINDER

... That the **Andrean** tries to keep you in touch with each other as well as with the School. We are more than ever dependent on personal sources for news of Andreans, so won't you take a moment occasionally to drop us a card with any item that might be of interest to O.B.'s? Your address, too, is fairly essential! The number of "returns" from each mailing is sometimes a little disheartening! So how about including your change of address?!

'ROUND AND ABOUT THE SCHOOL

Time does not drag 'round and about the School. It is doubtful whether anywhere is there greater per capita energy hopefully generated or gainfully expended than right here! The School came through the **Football** season with flying colors. The **Firsts** lost to **Ridley** 26-21 but won against **U.C.C.** 28-19 and **T.C.S.** 62-8, **Aub Holmes** still coaching. The **Thirds** (under **Hugh Warburton**) lost to **Ridley** 26-6 but won against **T.C.S.** 30-0 and **U.C.C.** 13-6. The **Under 15's** (**Jack Wright** and **John Cottenden**) beat **Ridley** 30-0, **T.C.S.** 30-0, and **U.C.C.** 13-6. **Wallace** won the

ROUND AND ABOUT THE SCHOOL (Continued)

Clan Soccer League and the **All-Star Clan Soccer Team** lost only 3 of 10 outside games (the other 7 being tied!). The **Football Dance** at Half-Term break wound up the season. Early in November, Dick Gibb put up a notice announcing a **Cricket** practice and there was quite a turnout (to whose surprise?!). **Basketball** squads have been hard at work since Half-Term. Terry Clifford is coaching the Firsts, Mike Adamson, the Seconds, and John Cottenden, the Thirds. **Hockey** teams are shaping up and show promise of the usual good calibre. Aspirants for the **Gym Team** are more numerous than ever this year and are working out regularly with Hugh Warburton. The new **Tennis Courts** have already been in use. The **Cadet Corps** won the Private School Efficiency trophy for last year's work. Presentation of the trophy was made by Lt.-Col. F. F. MacEachran to last year's C.O., Danny Routledge and Officers, Mike Rothery, Brian Armstrong, Doug Rowan and Barry Thomson. **The Corps** (old boys) paraded in uniform and the **Ladies' Guild** who were meeting at the School, were present — a pleasant occasion. The Ladies' Guild have contributed a generous sum to the Cadet Corps for the purchase of new officers' uniforms and other needed equipment. The **Science Club** has enjoyed three evenings of interesting films and a trip to the plant of the Sterling Drug Company — so far. At the moment of writing, the **Debating Team** (Hugh Warburton) is battling it out with U.T.S. at Toronto. The **Upper School Play** (Lloyd MacPherson) has gone into rehearsal — actually two plays this year. Shaw's, "Androcles and the Lion" being short, "Campbell of Kilmohr" is also being presented — as a curtain-raiser. A **new literary venture** is being launched. A publication to be known as "Script", devoted entirely to boys' creative writing will be produced from time to time. The **French Club** (Cercle Francais) meets regularly. **Horrie Kendall**, after 19 years of yeoman service to the School, for personal reasons has withdrawn. How much he has been doing becomes more noticeably impressive in the attempt to fill the gaps. **Douglas Gardner** has joined the staff as replacement for Horrie. **Bob Laidlaw** is very well — in fact he has not looked better for years. The **Tuck Shop** has come to roost by Ken Ives' reforestation project behind the Gym and is "hooked up" nearly ready for action. **Construction** work on the new buildings is at a standstill because of a strike, — something new "round and about the School (except in the boy sphere!) Pickets have been parading in front of the gates on Yonge Street for two weeks now.

Stop Press: The Cadet Corps has added to its laurels by winning the Earl Grey Trophy, awarded to the best Corps in Canada.
